SCIENCE AND TECHNOLOGY

- Science labs suitable for chemistry, physics and biology and a dedicated state-of-the-art Innovation Studio including robotics, artificial intelligence (AI), augmented reality (AR), virtual reality (VR) technology.

SPORTS AND ACTIVITIES

- Rooftop play area, indoor play area, outdoor play area, six-court multi-purpose hall with audiovisual equipment and a stage, football pitch, a 25-metre six-lane swimming pool and a learner pool.

WHY IB?

- The International Baccalaureate (IB) programme is a curriculum framework designed for students 3 - 18 years. It prepares students for the intellectual challenges of further education and future careers, focusing on the development of the whole child as an inquirer, both in the classroom and in the world outside. The aim of the PYP and MYP programme is to create an educational experience that is engaging, relevant, challenging and significant for all learners.

ACADEMIC ACHIEVEMENT

- Our rich curriculum and exceptional teaching practices sustain students' interest and curiosity enabling our outstanding teachers to effectively hyper personalise learning and ensure high levels of performance for all learners.

OUR MISSION & VISION:

- GEMS World Academy – Abu Dhabi unlocks the potential of the unique child through a world of pathways. We foster a dynamic, diverse and inclusive community in which all learners thrive in our IB World School provision. Underpinned by the National Curriculum for England student outcomes our caring, supportive environment ensures all learners feel safe, happy and valued, while being consistently engaged, challenged and inspired, stewardships and responsible citizenship.

HIGHLY RATED

- We were rated "Very Good" overall by ADEK in the 2018 inspection with "Outstanding" for the protection, care, guidance and support of students, and "Developed" in all areas in the Distance Learning Evaluation in 2020.
- During the 2021 ADEK inspection our Partnerships with Parents were also rated "Outstanding".
